

## **Ross C. Elliott**

Brief bio

02/04/2010

---

Ross is currently serving as the Captive Insurance Director at the Utah Insurance Department. His prior career experience includes:

- VP Operations, Alta Holdings (captive management services)
- Partner, Captive Management Partners (captive management services)
- President, Sirius Technology Group (insurance software application provider)
- President, Elliott Consulting (insurance and software consulting)
- Director, Bear River Mutual (personal lines insurance company)
- Director, Utah Life & Health Insurance Guaranty Association (guaranty fund)
- Director, Utah Life Convention (life insurance company association)
- General Manager, Landcar Insurance Services (Larry H Miller insurance companies)

Ross graduated from Brigham Young University in 1972 with a degree in Business Management and a consolidated minor in Accounting and Economics, as well as additional minors in Spanish and Religion. He has since earned the designation of Fellow of Life Management Institute.

He and his wife, Mynon, are the parents of three children and seven grandchildren. His interests include spending time with the grandkids, travelling with his wife, and computing. He is very involved in community charitable and civic activities.
